

J's Pizza Market

Fundraising Request Form

We make it fresh. You make it hot.

Our mission at J's Pizza Market is to make the freshest, best tasting pizza in the world and to live & work in the greatest communities on earth. We want to do our part to help non-profit organizations better our community. The management and employees of J's are dedicated to give our time, our products and our cash to help raise money for charities in our communities. On the back of this form we have a great way to raise money, if you have any other ideas let us know. The more creative the idea the better, so give us your thoughts!

How to get started

- Please fill out this form and bring it to any J's Pizza Market in your community. Due to the large volume of donation requests we receive, J's can not accept any requests that do not include this form. We do not accept requests by phone, mail or fax.
- Please submit the form as early as possible ahead of the time you would like your program to start. The earlier your request is received, the more likely we will be able to help.

Eat Pizza Make Money Program

A full week. A full 20% back to you!

This donation program is a great way to make a lot of money for your organization. It is our preferred donation method; it is fun and has a big return. The following are the key elements in this program:

- J's Pizza Market will design "Eat Pizza – Make Money" certificates specific to your charity. Just print it and hand or email it out to everyone you know; family, friends, organizational members, co-workers, the guy next to you in the grocery store check-out, drop flyers from a plane (you might want to use bio-degradable paper), etc. The only restriction is the flyers can not be handed out on our property.
- J's will select a week as your Charity Week. When someone comes in that week, presents your certificate 20% of their total order will go to your charity. Enjoy the world's best pizza and help your charity make this a better world, all at the same time.
- There is no limit to the number of times an individual can come to J's during your designated week and no limit on the number of certificates that may be presented.
- At the end of the designated week, J's will total all the certificates presented and write your charity a check for (which should be) a substantial amount of money.

The program requires very little effort on your part; just get everyone passing out the certificates; and then use the money to make the world a better place.
